FOR IMMEDIATE RELEASE

701 Carnegie Center West

Groundbreaking event

## Princeton University breaks ground on first project of Carnegie Center West Campus

PHILADELPHIA, PA – August 11, 2008 – Boston Properties, Inc. held a groundbreaking ceremony last week at 701 Carnegie Center West, in West Windsor Township, New Jersey, the inaugural project for Carnegie Center West. The building will be fully occupied by Princeton University starting fall 2009. Philadelphia-based design firm, KlingStubbins, provided complete A/E/I design services for this 120,000-SF office building that is targeting LEED® Silver Certification. The 701 Carnegie Center building will set the tone for the entire Carnegie Center West area, a 103-acre development that is located between US Route 1 and Canal Pointe Road.

The ceremony was attended by senior members of Boston Properties, Princeton University, AEGIS, Township officials, the Governor's Office, and the design team from KlingStubbins.

KlingStubbins provides professional services in all major disciplines within the realm of architecture, engineering, interiors, planning, and landscape architecture. The firm consists of more than 500 professionals in its Cambridge, MA; Las Vegas, NV; Philadelphia, PA; Raleigh, NC; San Francisco, CA; and Washington, DC offices.
